Hancock		x
Oak		x
Patch		x
Aroostook		x
Cumberland		x
Kennebec		x
York		x
Stodder		x
Penobscot		x

R: Upon Request

Response to students living in those buildings with wireless only:

The Wi-Fi experience for student residences has been upgraded! MyResNet is the new Wi-Fi network in all residence halls.
Connect up to 7 devices with no primetime bottlenecks! Guaranteed speed: Get 50 Mbps download speed and 20 Mbps upload speed.
For computers that do not have Wi-Fi capability, inexpensive USB network adapters will add this capability to the computer,
providing fast and reliable internet connectivity.
